

Come and See Kick-Off

November 21

1 John 1:1-4

Object Lessons and Storytelling Ideas

- Concept kick off: talk about what following Jesus is and is not
- Imagine actually being there when Jesus did his miracles?
- Talk about Jesus as our light; use a flashlight or lighthouse to illustrate the importance of light in the dark
- Talk about the senses - seen, heard, touched, He was real!
- Shouting good news! What does it mean to proclaim something? What types of things are we excited to proclaim?
- Can you imagine what would happen if something invisible became visible? What if you could see the wind, or gravity pulling down? Other nations had idols for their gods, but finally, in Jesus, God became visible!

Discussion Ideas and Questions

- Jesus didn't just show up as a baby, Jesus has existed since before the creation of the world.
- Life in Jesus as the Light both drawing us in and helping us find our way
- What are some things we like to proclaim? Things we get really excited about? How is the good news of Jesus more important than all those other things?
- Jesus was God made visible, Jesus is eternal (from the beginning), and He gives eternal life.

At Home Connections

- Create an obstacle course in the dark - inside or outside!
- How do you think our lives would be different if we didn't have lights in our house?
- What animal do you think Jesus liked creating the best?
- How does talking about Jesus bring joy?
